

BIENVENIDOS TO SAINT MARY'S SPANISH CLASS!

Saint Mary's Catholic School offers students the opportunity to learn Spanish while having fun and exploring the rich and diverse culture of the many countries that call Spanish their official language.

Middle School students 6th, 7th and 8th grade not only learn conversational Spanish but they also explore the traditions, costumes, and religious practices. Students take part in many hands on activities such as celebrating " Nuestra Senora de Guadalupe" on her feast day December 12th. Students participate in a play while learning Spanish and history. Students also participate in creating OFRENDAS to celebrate Dia de los Muertos to honor loved ones who have passed away.

My goal as someone who is bilingual is to make sure that every student can speak conversational Spanish not only to open doors academically but also socially. In today's multicultural world it is important to have the ability to speak another language and what better than one of the top five languages spoken in the world!
